PUBLIC DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from the Municipal Commissioners for the Town of Madras, to the Chief Secretary to Government, Fort Saint George, dated 29th November 1860.

1. In returning the two letters from certain European and East Indian inhabitants of Black Town, referred to us for report on the 19th September last, we have the honor to submit a Memorandum* from our Civil Engineer with a Plan and Estimate, together with a sketch of the Light House and Monument Esplanades, showing how it is proposed to lay out the ground as a Promenade, with a Band stand, &c.

2. The sketch shows two sites for the Band stand, one in the middle of the road leading from the North gate of the Fort to Thumboo Chetty Street; the other in the centre of the Monument Esplanade; which we agree with our Civil Engineer will be most acceptable to the inhabitants of Black Town; it is also the least costly of the two, the estimate for the first amounting to Rupees 6,000, and that for the second to Rupees 4,000, and a further saving of Rupees 1,000 may be effected by leaving the stand uncovered.

3. We therefore beg to recommend the second site and to solicit sanction for the reduced Estimate amounting to Rupees 3,000, without a cover to the band stand.

(Signed) J. C. BOULDERSON, President,

(") B. CARDOZO,

Municipal Commissioners
for the Town of Madras.

ORDER THEREON, 8th December 1860, No. 1,763.

Of the two sites selected for the proposed Band stand, that on the Monument Esplanade is considered by the Municipal Commissioners preferable, and would, in their opinion, be more acceptable to the residents of Black Town. The Government accordingly sanction the construction of the Band Platform, without a roof, at the estimated outlay of Rupees (3,000) three thousand, and direct that the work be entered in the Budget of 1861-62.
