Proceedings of the Madras Government, Public Works Department,  
18th December 1860.

No. 241. Read the following letter from Lieutenant-Colonel W. H. HORSLEY, Chief Engineer, to J. D. SIM, Esq., Acting Secretary to Government, dated Chepauk, 12th December 1860, No. 7,888:—

SIR,

3 Letters from the District Engineer of Malabar, Nos. 202, 269 and 8, dated 2nd July, 23rd August 1859, and 10th January 1860.  
1 Letter from Registrar of Sudder Court, dated 24th November 1860.  
1 Plan 1-157.  
1 Abstract Estimate.

1. I have the honor to forward, for submission to Government, a Plan and three revised Estimates for constructing Munsif's Court Houses at Pattamby, Shernaad and Temilpúram, in the District of Malabar, amounting to Rupees 1,440 each, or Rupees 4,320, for the three buildings.

2. In the Budget for 1856-57 an Estimate of Rupees 4,240 was entered for these three Court Houses, as well as for one of the same class at Pynaad, at an estimated cost of Rupees 1,060 each. The Pynaad Court was commenced in March 1859, and completed in January 1860, and the Bill for the same, amounting to Rupees 1,297-9-4, (or Rupees 237-9-4 in excess of the original Estimate) was sanctioned by Government in their Proceedings of the 25th June 1860, No. 1,333.

3. The excess, viz., Rupees 380 each, over the sanctioned amount (Rupees 1,060 each) is principally owing to the great rise in the prices of labor and material since 1855, the year in which the Estimate was framed, and partly to the incorrect dimensions given in the original Plan, as stated by Captain Bean in his letter of the 2nd July 1859, No. 202, herewith submitted.

RS.      RS.  
380 × 3 = 1,140.

4. The following is the outlay incurred in the construction of the undermentioned Court Houses from the date of commencement of operations, up to 30th November 1859, when the works were stopped, viz:—

|                       | RS. | A. | P. |
|-----------------------|-----|----|----|
| Pattamby Court ... .. | 237 | 12 | 0  |
| Temilpúram „ .. ..    | 193 | 12 | 0  |
| Shernaad „ .. ..      | 178 | 2  | 4  |

5. The accompanying Estimates have been examined and corrected in this Office, and as the rates given in the sanctioned Estimates are inadequate to carry out the work at the present time, I recommend for sanction the corrected amount, viz., Rupees 4,320, being an excess of Rupees 1,140 over the sum sanctioned on the 30th November 1855, No. 857, and that the same be entered in the Budget of 1861-62, should the Government think fit to do so.

6. The Judges of the Sudder Court have intimated their approval of this course.

No. 242. ORDER THEREON, 18th December 1860, No. 2,598.

The Governor in Council observes that the necessity for the Court Houses in question is not so urgent as to require that provision should be made for them in the Budget of 1861-62. The buildings must therefore be deferred.

(Signed) J. D. SIM,  
Acting Secretary to Government.

3 letters from the  
District Engineer  
of Malabar Nos.  
262-269 and 8,  
dated 2<sup>nd</sup> July, 23<sup>rd</sup>  
August, 1859 and 10<sup>th</sup>  
January 1860.  
1 letter from Regis-  
trar Sudder Court  
dated 24<sup>th</sup> November  
1860.  
1 Plan. 1/57  
1 Abstract Estimate.

I have the honor to forward,  
for submission to Government a Plan and  
three revised Estimates for constructing  
Munsiff's Court Houses at Pallamby,  
Thernad and Puzilpuzam, in the  
District of Malabar, amounting to  
Rupees <sup>1440</sup> ~~1414~~ each, or Rupees 4,320 for  
the three buildings.  
In the Budget for 1856-57  
an Estimate of Rupees 4,240 was en-  
tered for these three Court Houses

As

as will be seen for one of the same class at Pynaad, at an estimated cost of Rupees 1060 each. The Pynaad Court was commenced in March 1859, and completed in January 1860, and the Bill for the same, amounting to Rupees 1297-9-1, (or Rupees 237-9-1, in excess of the original Estimate) was sanctioned by Government in their Proceedings of the 25<sup>th</sup> June 1860 N<sup>o</sup> 1333. The excess, viz Rupees 380 each, over the sanctioned amount (Rupees 1060 each), is principally owing to the great rise in the prices of labor and material since 1855, - the year in which the Estimate was framed, and partly to the incorrect dimensions given in the original Plan, as stated by Captain Bean in his letter of the 2<sup>nd</sup> July 1859, N<sup>o</sup> 202, herewith submitted.

$$Rs \frac{380}{3} \times 3 = Rs 1140$$

The following is the outlay incurred in the construction of the undermentioned Court Houses from the date of commencement of operations, up to 30<sup>th</sup> November 1859, when the works were stopped, viz

|                |            |

| Puttanby Court | Rs 237-12- |
| Trinelpuram    | Rs 193-12- |
| Shermad        | Rs 178-2-4 |

The accompanying Estimates have been examined and corrected in this Office, and as the rates given in the sanctioned Estimates are inadequate to carry out the work at the present time, I recommend for sanction the corrected amount, viz Rupees 4320, being an excess of Rupees 1140 over the sum sanctioned on the 30<sup>th</sup> November 1855, N<sup>o</sup> 857, and that

The Judges of the  
Sudder Court have intimated their  
approval of this course.
