Dated 17-12-1846.

Not to be folded or roughly handled

Proceedings of the Madras Government, Public Works Department,
19th December 1860.

No. 245. Read the following Endorsement of the Chief Engineer, dated Chepauk, 4th December 1860, No. 7,619:—

Read the following letter from Captain J. F. STODDARD, District Engineer, Godavery District, to Lieutenant-Colonel A. BOILEAU, Deputy Chief Engineer, Northern Circle, dated Dowlaishwaram, 5th November 1860, No. 319.

SIR,

1. With reference to Extract Proceedings of the Chief Engineer No. 4,391, dated 3rd September last, I have the honor to inform you that I have directed Lieutenant Magnay, the Executive Officer at Cocanada, to run up such sheds, as in communication with the local Commissariat Officer, may be considered necessary to secure the Government property from damage by exposure.

2. Lieutenant Magnay informs me, under date the 30th ultimo, that for the present, the Commissariat Officer considers that the two sheds now in course of erection, and which together cover an area of 6,408 square feet, will be sufficient together with an existing shed which requires some slight repair. The two former will probably cost Rupees 1,244, inclusive of gravelling the floor of the bigger of the two sheds, which the Commissariat Officer considers indispensable—a bill will be submitted on completion of the sheds.

Submitted to Government in continuation of letter No. 4,491, dated 6th September 1860, and with a request that authority be granted for the expenditure of the sum of Rupees 1,244 out of the repair fund of the District.

(Signed) W. H. HORSLEY, Lieut.-Colonel,
Chief Engineer.

No. 246. ORDER THEREON, 19th December 1860, No. 2,600.

Sanction is granted for the expenditure, out of the repair fund of the Godavery District, of a sum of Rupees (1,244) one thousand two hundred and forty-four on account of the sheds referred to.

(Signed) J. D. SIM,
Acting Secretary to Government.
