*Proceedings of the Madras Government, Public Works Department,
19th December 1860.*

No. 249. Read the following letter from Lieutenant-Colonel W. H. HORSLEY, Chief Engineer, to J. D. SIM, Esq., Acting Secretary to Government, dated Chepauk, 3rd December 1860, No. 7,552 :—

SIR,

1. I have the honor to submit for the information of Government a letter from the District Engineer of Vizagapatam, applying for one month's privilege leave preparatory to obtaining sick leave to Europe on Medical Certificate, and requesting instructions regarding the renting of the house in which he now resides for the District Office.

1 Original letter from District Engineer of Vizagapatam, dated 16th November 1860, No. 853.

2. The subject of the leave has been referred to the Military Auditor General for report, and will be subsequently disposed of in the Central Office. But, with respect to the renting of the house, I have to solicit the orders of Government thereon.

3. Captain Blagrave states that besides the house in question, there is no place available for the District Engineer to reside in, or to locate his Office Establishment, Records, Stores, &c.; and that if once given up, it would be immediately engaged by other parties, who are in want of accommodation.

4. The monthly rent of the building is said to be 70 Rupees, 40 of which Captain Blagrave suggests should be recovered from the District Engineer, and the remaining 30 paid as office rent, as is now done in his own case, by which arrangement the Government "would be put to no additional expense, and would retain a building most conveniently situated and well adapted for the District Office."

5. Under these circumstances, I have the honor to recommend that the house be rented on the terms mentioned by Captain Blagrave, for the District Engineer and his Office.

No. 250. ORDER THEREON, 19th December 1860, No. 2,602.

Under the circumstances stated, the Government grant authority for the house referred to being rented on the terms specified, for the District Engineer of Vizagapatam and his Office. As Captain Blagrave states that the Office and Records may eventually be removed into "Captain McCallum's house" when it is purchased, the arrangement now sanctioned will come under consideration again when that building is available for the purpose.

(Signed) J. D. SIM,
Acting Secretary to Government.
