*Proceedings of the Madras Government, Public Works Department,
19th December 1860.*

No. 257. Read the following letter from Lieutenant-Colonel W. H. HORSLEY, Chief Engineer, to J. D. SIM, Esq., Acting Secretary to Government, dated Chepauk, 15th December 1860, 8,054 :—

SIR,

1. I have the honor to forward, for submission to Government, two letters* from the District Engineer of Salem, recommending a maintenance allowance of Rupees 675 for the new road between the town and the railway station at Salem, for nine months, for a distance of two and a quarter miles, calculated at 75 Rupees per mensem, or Rupees 300 per mile for the above period.

2. As Captain Gahagan does not intend to employ any work people on this line during the three dry months in the year, viz., February, March and April, a maintenance grant is solicited for nine months only.

3. The road in question is being constructed on an Estimate of Rupees 13,000, sanctioned by Government in their Orders, No. 2,834, dated 6th December 1859, and will be completed in two or three weeks.

4. Under these circumstances, I request Government will be pleased to sanction the amount, viz., Rupees (675) six hundred and seventy-five, for entry in the Budget for 1861-62, for a maintenance allowance for the road connecting the town and railway station at Salem, for nine months, as requested by the District Engineer.

No. 258. ORDER THEREON, 19th December 1860, No. 2,606.

The Government sanction a maintenance allowance of Rupees (300) three hundred per mile for the two and a quarter miles of road between the town and railway station at Salem, and authorize the Chief Engineer to provide accordingly in the Budget of 1861-62.

(Signed) J. D. SIM;
Acting Secretary to Government.
