*Proceedings of the Madras Government, Public Works Department,
20th December 1860.*

No. 259. Read the following letter from Lieutenant-Colonel W. H. HORSLEY, Chief Engineer, to J. D. SIM, Esq., Acting Secretary to Government, dated Chepauk, 4th December 1860, No. 7,633 :—

SIR,

1. I have the honor to report for the information of Government, with reference to their Proceedings No. 392, dated 24th October last, sanctioning the grant of a Superannuation Pension to my late Second Assistant Mr. D'Cruz from the 1st ultimo, that Mr. J. Mills, the Manager of the Central Office, having been considered the fittest person to succeed Mr. D'Cruz, was appointed from that date to the post vacated by the latter.

2. Consequent, however, on the absence of Mr. W. A. Hart, (1)
(1.) Head Auditor, Central Office.
(2.) do. Southern Circle. Mr. T. W. Johnson (2) and E. Tervengadam Mudali, (3) the
(3.) do. Northern Circle. first on medical certificate, the second on special duty at Tanjore, and the last under suspension at Dowlaishwaram, I was necessitated to appoint the Head Auditor of the Central Circle, the Record-keeper, and Deputy Manager of the Central Office to undertake respectively the duties of the absentees.

3. Consequent on these arrangements, which were indispensably necessary for the efficient performance of the duties devolving on the Audit Department, I found it altogether impracticable to appoint a fit person during their continuance to the post of Manager, the duties of which are both heavy and responsible. I was accordingly compelled to direct that, until further orders, Mr. Mills should conduct both duties, viz., those of his substantive appointment,* and of that which he lately held in the Central Office. These duties Mr. Mills has performed most satisfactorily during the whole of the past month, and in order to do this, it was of course essentially necessary, that almost the entire work devolving upon him as my Second Assistant, should be performed out of Office, as his time throughout the day was fully engaged on the duties of Manager.

4. I would, under these circumstances, strongly recommend for the sanction of His Excellency the Governor in Council that, in consideration of the services performed by him during the past month, Mr. Mills may be allowed to draw, in addition to his full* salary as my Second Assistant, a moiety, viz., Rupees 90, of that† attached to the post of Manager, the whole of which has been credited to Government in the Abstract of the Central Office for November 1860.

5. In conclusion, I have to report that by the return to his duties on the 1st instant of Mr. W. A. Hart, Head Auditor, I have been enabled to fill permanently the post of Manager of the Central Office.

No. 260. ORDER THEREON, 20th December 1860, No. 2,607.

The Government decline to accede to the request made in paragraph 4 of this letter, and request the Chief Engineer to discourage expectations of extra pay for occasional extra duty. They observe also that Mr. Mills has quite recently been promoted.

(Signed) J. D. SIM,
Acting Secretary to Government.
