MILITARY DEPARTMENT.
PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter:—

From the Principal of the Civil Engineering College, Chepauk, 10th December 1860; to the Secretary to Government, Military Department, Fort Saint George.

With reference to the Order of Government in the Military Department No. 4223, 21st November 1860, sanctioning 5 men of the Sappers and Miners being admitted into the Civil Engineering College to fill existing vacancies, I have the honor to bring to your notice that my notification of the 26th November was published before the Order of Government reached me.

2. The Army at large was informed in that notification that an entrance examination would be held on the 21st and 22nd December; I am aware that many men in various Regiments have been qualifying by private study for that examination, and it might have an injurious effect now to fill the vacancies that exist from the Sappers. I purpose therefore sending examination papers to all *Candidates*, including all the Sappers who are in other respects eligible, and filling

the vacancies with the five best of the whole number, the Sappers having the same chance as the rest,* which proposal I request the favor of your submitting for the sanction of Government.

*Agreeably to G. O. No. 3907, 4th Novr. 1859.

ORDER, No. 4543, 7th December 1860.

The Governor in Council approves of the course proposed in the concluding portion of paragraph 2 of the foregoing letter.
