22nd December 1860.*

No. 104 Read the following letter from Lieutenant-Colonel W. H. HORSLEY, Chief Engineer, to J. D. SIM, Esq., Acting Secretary to Government, dated Chepauk, 8th December 1860, No. 7,756. —

Sir,

1. I have the honor to report for the information of Government, that the Civil Auditor has declined to pass in my contingent bill for the month of September without the special sanction of Government a charge of Rupees (5) eight, for a pair of shades purchased for the use of the Central Office.

2. These shades being indispensably necessary for the transaction of my business after sun set, and which is now of daily occurrence, I trust that the Government will authorize the Civil Auditor to pass the charge.

3. I would at the same time request the sanction of Government to the purchase of another pair of shades for the use of the Deputy Chief Engineers and Uncovenanted Assistants, as circumstances may require, much inconvenience being at present experienced by the use of lanterns.
