*Proceedings of the Madras Government, Public Works Department,
for the month of February 1860.*

No. 15. Read the following Proceedings of the Madras Government in the Military Department, dated 17th January 1860, No. 234.

Calling on the Chief Engineer to state whether a flooring of less expensive material than granite may not suffice to the verandah of the Commissariat godown at Jackatalla. (Vide Military Proceedings from 11th to 20th January 1860, Nos. 225 @ 227.)

No. 16. ORDER THEREON, 1st February 1860, No. 262.

Ordered to be recorded.

(Signed) T. PYCROFT,
Chief Secretary.

MILITARY DEPARTMENT.
PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter:—

From the Chief Engineer, Fort Saint George, 17th December 1859, No. 8452; to the Secretary to Government, Public Works Department.

I have the honor to acknowledge the receipt of Proceedings of the Madras Government marginally noted, calling for further information regarding the proposed granite flooring to the verandah of the Commissariat Godown at Jackatalla, and to inform you, that the Commissary General considers, that it would be advantageous to have the verandah paved; and that in the absence only of other accommodation, it was temporarily used to shelter Government Cattle—a portion also is occupied by the Carpenters in making up Barrack articles, &c., I have the honor therefore, as the Commissary General thinks it would be advantageous to have the verandah paved, to solicit the sanction of Government for the item, viz, Rupees (1,803) one thousand eight hundred and three, for granite flooring to the verandah of the Commissariat Godown, entered in the estimate submitted with my letter of the 1st October 1859, No. 5653.

ORDER, No. 234, 17th January 1860.

The Governor in Council observes, that *Proceedings of the Madras Government, Military Department, No. 4459, 16th December 1859.* para. 2 of the order of Government marginally noted, required the Chief Engineer to decide professionally on the most suitable flooring for the verandah of the Commissariat Godown at Jackatalla. In reply to which call, the Chief Engineer submits the foregoing letter, intimating the opinion of the Commissary General on the question, and which may be assumed to have received the approval of the Chief Engineer, as he solicits sanction to the proposition.

2. Before deciding on the question however, His Honor wishes to be informed, whether with reference to the proper uses of the verandah referred to, a flooring of less expensive material than granite may not suffice.
