No. 315. Read the following letter from Lieutenant-Colonel W. H. HORSLEY, Chief Engineer, to J. D. SIM, Esq., Acting Secretary to Government, dated Chepauk, 5th December 1860, No. 7,650:—

Sir,

1. With reference to the Proceedings of Government dated 3rd October 1860, No. 2,049,

1 Original letter from the District Engineer, South Canara, dated 3rd November 1860, No. 139.
1 Copy of letter to Civil Auditor, dated 17th November 1860, No. 7,106.
1 Original letter from do. dated 23rd November 1860, No. 407

sanctioning the payment to Mr. Sub-Engineer Boesinger of the allowances of Acting District Engineer for the time he was in charge of the District of South Canara, I have the honor to submit for the orders of Government the accom-

panying correspondence relating to the amount which the Civil Auditor considers should be passed for that period.

2. The Civil Auditor is of opinion that so long as the rule published in Chapter XV, Section 2, Clause 4 of the Bengal Code, and which is the same as that referred to in Extract Minutes Consultation No. 1,277 dated 5th July 1858, paragraph 11, Clause 2, continues in force, no higher allowance than 100 Rupees per month can be passed to Mr. Boesinger for the time he was in charge of the District. But it appears to me that such was intended to be the deputation allowance of an upper subordinate officiating for Executive Officer (now styled 1st and 2nd Assistant District Engineers in this Presidency, but formerly 3rd and 4th class Executive and Assistant Engineers) and not that of a subordinate, like Mr. Boesinger, acting for a District Engineer. It is probable that such a case was but little, if at all contemplated at the time the rule, quoted by the Civil Auditor, was promulgated, and doubtless the same view of the matter was taken by Government when they directed the

payment of the allowances of an Acting District Engineer to Mr. Boesinger.

3. I request, therefore, that you will be good enough to bring the subject again before Government with a view to the Civil Auditor being informed of the amount which should be passed to Mr. Boesinger during the time he held charge of the South Canara District.

No. 316.

ORDER THEREON, 22nd December 1860, No. 2,633.

The Government authorize the Civil Auditor to pass to Mr. Boesinger for the period he held charge of the District of South Canara the deputation allowance forfeited by Lieutenant Hunter late Acting District Engineer.

Sir,

I have the honor to request that you will be good enough to inform me of the rule under which Mr. Sub Engineer Boessinger has only been allowed 100 Rupees per Mensem for the period during which he was in charge of the South Canara District.

Under the Proceedings of Government dated 3^d October 1860 No. 2049 the Allowances of an Acting District Engineer were granted to him, which I infer to mean a Mistry of the Salary appertaining to that Office, viz 300 Rupees, but as I am not quite certain on the subject I shall be obliged by your supplying me with the information required in the foregoing para.

I have the honor to be

requesting to be informed of
the rule under which Mr.

only been allowed 100 Rupees

Chapter XV Section 2 Clause 1 of the Bengal Code, and which is the same as that referred to in Extract Minutes Consultation No 1277 dated 5th July 1860 Para 11. Clause 2, continues in force, no higher allowance than 100 Rupees per Month can be passed to Mr Boesinger for the time he was in charge of the District. But it appears to me that such was intended to be the deputation allowance of an Upper Subordinate Officiating for Executive Officer (now styled 1st and 2^d Assistant District Engineers in this Presidency but formerly 3^d and 4th Class Executive and Assistant Engineers) and not that of a subordinate, like Mr Boesinger, acting for a District Engineer. It is probable that such a case was but little, if at all contemplated at the time the rule, quoted by the Civil Auditor, was promulgated, and doubtless the same view of the matter was taken by Government when they directed the payment of
