*Proceedings of the Madras Government, Public Works Department,
22nd December 1860.*

No. 317. Read the following letter from Captain F. H. RUNDALL, Consulting Engineer for the Irrigation and Canal Company, to J. D. SIM, Esq., Acting Secretary to Government dated Kurnool, 8th December 1860, No. 103 :—

SIR,

* No 135 of 30th November

1. I beg to forward the accompanying letter* from the Agent, written with reference to the Order of Government of the 26th November last, No. 2,440, and replying particularly to the remarks contained in paragraph 13.

2. He states that on reaching Kurnool in July last, all documents which could help him to adjust the arrears of accounts were handed over to him, but that they proved very incomplete, and he thinks that it will take six weeks or two months before he can adjust the entire records up to July last.

3. He states further that from the beginning of August, all the accounts from the Chief and Executive Engineers have been forwarded regularly, so that as soon as transactions previous to August have been recorded he will be enabled to render the subsequent accounts rapidly.

No. 318. ORDER THEREON, 22nd December 1860, No. 2,634.

Ordered to be recorded.

(Signed) J. D. SIM,
Acting Secretary to Government.
