Proceedings of the Madras Government, Public Works Department,
22nd December 1860.

No. 329. Read the following letter from Lieutenant-Colonel CUTHBERT DAVIDSON, C.B., Resident at Hyderabad, to T. PYCROFT, Esq., Chief Secretary to the Government of Fort Saint George, dated Hyderabad Residency, 14th December 1860, No. 1,623:—

SIR,

1. In forwarding for submission to the Right Honorable the Governor in Council, copies of the correspondence noted in the margin, regarding Mr. Reid, Assistant Engineer, 1st Class, in the Assigned Districts, having been appointed to another situation under the Madras Government without a reference having been made to me, I have the honor to request that in future, before giving appointments to Uncovenanted Servants who are under the orders of the Resident at Hyderabad, a communication may be made to him in order to his consent being obtained to the proposed transfer, as otherwise some inconvenience might be experienced in the event of an Uncovenanted Servant while he is merely absent on privilege leave, accepting employment elsewhere, when his services perhaps could not be spared from the Assigned Districts.

Letter No. 2,133, dated 12th December 1860 from the Chief Engineer Hyderabad.
do. No. 1,622, dated 14th December 1860 from this Office in reply.

2. No reference having been made on the matter by the Madras Government, I have the honor to request instructions regarding the stoppage of Mr. Reid's pay, as he will draw half pay on Sick Certificate from this Department at the same time that he is drawing full pay in active employment under the Madras Government.

Sir,

I have the honor to bring to your notice that for the month of August the Rs. 30 allowed to Mr Saldanha Sub Overs in charge of Range No 1 has been deducted by the Civil Auditor on the ground that there were no funds available.

2. As the 2d Appointment allotted to this District is away in Malabar and the whole arrangements of acting officers are very complicated I cannot follow them out and only beg for consideration as it appears hard to require a Sub Overseer to do this heavier duty without any remuneration.

3. I enclose an abstract for the difference of salary and also for that of Travelling allowance in July which has been reduced in the Central Office. As para 13 Circular No CII of 20th Sept 80 makes no

Condition as to amount of funds &c. I conclude this reduction has been made by inadvertance, and beg that the balance may be sanctioned.
