Proceedings of the Madras Government, Public Works Department,
22nd December 1860.

Read again letter from the Chief Engineer dated 9th and recorded in Proceedings of Government 15th November 1860, No. 2,368:—

No. 331. Read also the following letter from Lieutenant-Colonel W. H. HORSLEY, Chief Engineer, to J. D. SIM, Esq., Acting Secretary to Government, dated Chepauk, 8th December 1860, No. 7,765.

SIR,

In reply to the question put in the Order of Government, No. 2,368, dated 15th November 1860, I have the honor to forward a Telegram received from the District Engineer, South Canara, whereby it appears that there are no funds available this year in that District for renewing the roof of the Húzur Treasury at Mangalore, but as the work is emergent, with the permission of Government, Rupees 1,650 may be diverted from the funds at the disposal of the District Engineer, Presidency, for the purpose.

No. 332. ORDER THEREON, 22nd December 1860, No. 2,641.

The Governor in Council understands that the Mangalore Treasury is in a very insecure position. Before sanctioning this Estimate, His Excellency wishes the Chief Engineer to ascertain from the Collector and District Engineer whether it would not be best to build a new Treasury in a more defensible situation.

(Signed) J. D. SIM,
Acting Secretary to Government.
