*Proceedings of the Madras Government, Public Works Department,
for the month of February 1860.*

No. 38. Read the following Official Memorandum from Lieutenant-Colonel J. H. BELL,
Chief Engineer; to the Secretary to Government, dated 27th January 1860, No. 9669.

The Chief Engineer has the honor, in answer to the memorandum of the Chief Secretary
to Government, dated the 26th instant, to state that the estimate
for the Kaigá ghát has not been received, nor can be prepared
until money is granted for the formation of a trace.

2. In the order of the 30th of August 1859, paragraph 3, mention is made of estimates
promised in Colonel Faber's letter of the 7th of February 1859,
but it will be seen on reference to paragraph 7 of Captain Orr's
letter printed with Colonel Faber's in Public Works Consulta-
tion of the 8th March 1859, that Rupees 10,000 were required for "exploring and opening out
the indispensable preliminary trace," without which no accurate estimate can be prepared.

3. The amount of Rupees 10,000 was entered in the revised budget under the personal
sanction of the Honorable the Governor, according to whose orders the whole budget was re-
arranged.

4. Information on the subject is contained in the letter of the acting District Engineer
submitted on the 8th of December 1859. That letter has not
been returned, and cannot be referred to.

No. 39. ORDER THEREON, 2nd February 1860, No. 274.

The Government have in their order of the 1st instant No. 255 authorized an advance of
Rupees 10,000 for the trace. This sum will be debited to the amount reserved for emergent
and isolated works as in the absence of an estimate no expenditure can find a place in the budget.

(Signed) T. PYCROFT,
Chief Secretary.
