*Proceedings of the Madras Government, Public Works Department,
for the month of February 1860.*

No. 73. Read the following letter from Lieutenant-Colonel J. H. BELL, Chief Engineer;
to the Secretary to Government, dated 21st January 1860, No. 9434.

I have the honor, with reference to the Proceedings of Government, No. 78 of the 10th instant, to submit the accompanying letter from the District Engineer of Karnul, together with a statement shewing the items forming the original estimates for the demolition of the Kambam fort, &c. the work *assumed* to have been performed, and that remaining to be completed; from which it will be observed, that the fort ditch has not been *wholly* filled in, as work to the supposed value of Rupees 2,187-8-0 appears to be still required.

2. The further prosecution of this work was found unnecessary; and the irregularity on the part of the Executive officer, Mr. Leggatt, in having commenced it without the permission of higher authority has already been noticed.

No. 5886 3. I regret that by an oversight, the above papers were not forwarded with the list submitted by this office on the 8th of October last.

No. 74. ORDER THEREON, 6th February 1860, No. 292.

Ordered to be recorded.
