*Proceedings of the Madras Government, Public Works Department,
for the month of February 1860.*

No. 75. Read the following letter from Lieutenant-Colonel J. H. BELL, Chief Engineer ;
to the Secretary to Government, dated 20th January 1860, No. 9365.

With reference to the orders of Government quoted in the margin, I have the honor to
No. 2885, dated 12th December 1859. state that under the limitation of the budget, agreeably to
Dated 19th December 1859, No. 2952. the order of Government as per margin, it is not proposed to
bring forward again the estimates for improving the Laúr and
Edúr Codúr branches of the Jáfar Sahib's channel.

2. In the meantime, the observations recorded by Government will be communicated to
the District Engineer of Nellúr, who will be instructed to submit a report on the points
noticed therein.

No. 76. ORDER THEREON, 6th February 1860, No. 293.

Ordered to be recorded.

(Signed) T. PYCROFT,
Chief Secretary.

Memorandum

30

Estimates amounting to Rs 54,100 for improving certain branches of the Jaffer Sails Channel were submitted by the Chief Engineer on the 30th Novr 1859 with a recommendation that they should be entered in the Budget of 1860-61. But the Govt. re-

Proc of Govt

31st Decr
1859

turned them for a more detailed account of the works proposed. In a letter dated 20th January 60 Col^l Bell intimates that under the limit assigned for the Budget it was not proposed to bring the Estimates in question.

Proc of Govt
No 2938
6 Feb 60

This letter was forwarded again. It was recorded and there seems to be nothing further on the subject.

Memorandum

From
The Chief Engineer

To
The Secretary
to Government D. W. H.
Revenue Engraving
Office

With reference to the orders of
Government quoted in the margin, I have the honor
to state that under the limitation of the Budget
afforded by the Order of Government as per margin
it is not proposed to bring forward again the
Estimates for improving the Lahn and Eder and
branches of the Upper Rhine Channel.

In the meantime the observations
recorded by Government will be communicated
to

to the District Engineer of Yellow, who will be
instructed to submit a report on the points
noted therein.
