1E

*Proceedings of the Madras Government, Public Works Department,
for the month of February 1860.*

No. 79. Read the following letter from Lieutenant-Colonel J. H. BELL, Chief Engineer;
to the Secretary to Government, dated 30th January 1860, No. 9748.

With reference to the order marginally quoted, I have the honor to forward herewith, a comparative statement shewing the principal items in the estimates for the Warrant Medical officers quarters in the stations noted in the margin, as compared with the items in the estimate for the public quarters at Daulésvaram, and to state that it appears to me that the latter estimate is susceptible of some reduction under the heads roofing, flooring, fixtures and extra establishment, but I cannot state exactly what sum can be reduced under each head and will, therefore, communicate with the District Engineer on the subject; but in order that the work may be included in the budget of 1860-61, I recommend that Rupees (3,500) three thousand five hundred, be allowed for the same within which sum the District Engineer will be required to limit his estimate.

No 4403, dated 13th December 1859.

Bangalúr.
Bellári.
Kurnúl.
Kananúr and Kadapa.

2. The Government will observe that the cost of masonry work at Daulésvaram is more than 50 per cent. above that at Bellári, and this of course cannot be reduced, but the substitution of palmirah or other cheap material for teakwood, will effect a considerable saving in the roofing.

No. 80. ORDER THEREON, 6th February 1860, No. 295.

The budget of 1860-61 having been closed, the suggestion made by the Chief Engineer in paragraph 1 of this letter cannot be carried out. The papers will be referred to the Military Department with reference to the order in that department dated 13th December 1859 No. 4403.

(Signed) T. PYCROFT,
Chief Secretary.

N. 9748

The Chief Engineer
To the Secretary to Government
Sir,

With reference to the order
marginally quoted I have the honor
to forward herewith a Comparative Statement
showing the principal items in
the Estimate for the warrant Medical
Officers Quarters in the Station noted
in the margin as compared with the
items in the Estimate for the Public
Quarters at Bangalore and to
state that it appears to me that the
latter Estimate is susceptible of some
reduction under the heads Roofing, Plastering,
Furniture and also the estimate for
the same state exactly what
I am

sum can be reduced under each head and will therefore communicate with the District Engineer on the subject; but in order that the work may be included in the Budget of 1860/61 I recommend that Rs. 3500 / Three thousand five hundred be allowed for the same within which sum the District Engineer will be required to limit his Estimate.

2. The Government will observe that the cost of masonry work at Noulasteram is more than 50 per cent above that at Pollary and this of course cannot be reduced but the substitution of palmirah or other cheap material for teakwood, will effect a considerable saving in the roofing.

I have the honor to be,

Respectfully,

30 Jan'y 1860.

Your obedient servant

M. L. S. Colonel

Chief Engineer

To the Secretary to
Government M.D.
