MARINE DEPARTMENT.

PROCEEDINGS of the MADRAS GOVERNMENT.

Read the following letter from Lieutenant-Colonel J. H. BELL, Chief Engineer, Department Public Works; to the Secretary to Government, Public Works Department, dated Sē-pākkam, 21st January 1860, No. 9432.

With reference to paragraph 2 of the Proceedings of Government No. 574, dated 11th November 1859, I have the honor to submit for the sanction of Government a Plan and an Estimate of the probable cost of making up a Teak-wood frame, for placing on a raft for working the Diving Bell, amounting to Rupees (660) six hundred and sixty.

2. The Superintendent of Marine has approved of the frame, and as he is anxious that it should be completed as early as possible, in order to the Bell being brought into use, the frame has been commenced and I request the sanction of Government to the Estimate, and that the amount shall be disbursed from the funds at the disposal of the Civil Architect.

Transferred to the Marine Department.

(Signed) C. G. MASTER,
Dy. Secretary to Government.

23rd January 1860.

ORDER THEREON, 3rd February 1860, No. 58.

Government sanction the Estimate for (660) six hundred and sixty Rupees, submitted by the Chief Engineer, for constructing a Teak frame for working the Diving Bell.

(True Extract.)
