JUDICIAL DEPARTMENT.

PROCEEDINGS of the MADRAS GOVERNMENT.

Read the following letter from J. ROHDE, Esq., Inspector General of Jails; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated Utakámund, 24th January 1860, No. 23.

I have the honor to bring to your notice that during the absence on leave of the Officer in charge of Public Works and Joint Magistrate at Paumben, there is no Officer in charge of the Jail.

Mr. Bywater an Overseer in the Department of Public Works has, I believe, charge of the works.

I would suggest that in all cases in which the Officer in charge may be absent on leave, the Engineer Officer of the district or Magistrate should depute an Officer to the Paumben works, and that a Jail, often containing 230 Convicts, should not be left without authorized superintendence.

ORDER THEREON, 3rd February 1860, No. 130.

The Governor in Council directs that, on occasions of the Officer Superintending the operations at Paumben being absent on leave or on other duty, the Officer succeeding to his duties, should take charge of the Convicts also.

2. The Chief Engineer will issue instructions to this effect, and further require Officers of the Public Works Department, on assuming or relinquishing charge of the Convicts at Paumben, to report as much to the Inspector General of Jails.
