PUBLIC WORKS DEPARTMENT.

No. 33 of 1860.

TO THE RIGHT HONORABLE THE SECRETARY OF STATE FOR INDIA.

RIGHT HONORABLE SIR,

1. The papers herewith forwarded and noted in the margin, will inform you of the arrangements made by us for the preparation of a Code of Regulations for the Public Works Department of this Presidency.

2. Captain Shaw Stewart, District Engineer of Kurnool, was selected for the duty of drawing up the Code, under the immediate direction of the Chief Engineer; and he received a special allowance of Rupees 150 per mensem while so employed. Captain Stewart having been subsequently ordered to proceed with the Sappers and Miners to China when he had nearly finished the Code, the duty of completing the work was placed in the hands of Captain Carpendale, the Assistant to the Chief Engineer, with the same amount of special allowance, which, we authorized for a period not exceeding six months.

3. You will observe the testimony borne, in the Chief Engineer's letter of the 23rd February last, No. 10,587, to the diligence, patience and ability shown by Captain Stewart in the execution of his task.

4. We have already received and considered in our Proceedings of the dates given in the margin, five Sections of the Code, relating to the duties of the Chief Engineer and other Engineer Officers; six Sections relating to Designs and Estimates, Plans, Sections of Projects, Execution of Work, &c.; five Sections relating to Security, Legal Proceedings, Transfers and Office Arrangements; and one Section relating to the Rules for the grant of Leave in the Public Works Department. With the exception of the Chapter on Leave which has been referred back for revision, the remaining Sections have been approved with certain modifications. On the completion of the work we shall forward copies of the Code for your information and for the use of the Home Government.

We have the honor to be,

Right Honorable Sir,

Your most obedient humble Servants,

FORT SAINT GEORGE,
