for the month of February 1860.*

No. 56. Read the following letter from Colonel J. H. BELL, Chief Engineer ; to the Secretary to Government, dated 1st February 1860, No. 9862.

I have the honor to submit for the consideration of Government, a requisition* from the Executive Engineer at Bangalore, to purchase a small house belonging to pensioned Serjeant Bride, in charge of the Bangalore Race Course, situated on a portion of the ground, allotted for the new Dragoon barracks at that station, which he states will interfere with the construction of some of the buildings, connected with the horse lines.

2. The Executive Engineer has examined the building, and estimates its present value at Rupees 500, which he suggests may be defrayed from the sanctioned estimate for the new Dragoon barracks, in the construction of No. 4 of which he states he has effected a saving of Rupees 2,124.

3. I have the honor, therefore, to solicit the sanction of Government, for the purchase of the house, at a valuation of Rupees (500) five hundred, the amount to be defrayed from the estimate sanctioned for the construction of the new Dragoon barracks.
