*Proceedings of the Madras Government, Public Works Department,
for the month of February 1860.*

No. 71. Read the following Proceedings of the Madras Government in the Military Department, dated 10th February 1860, No. 620

Approving for immediate execution an estimate of Rupees 3,900 } (Vide Military Proceedings from 1st to 10th
for adding verandahs to the two ranges of Gun sheds on the } February 1860, Nos. 323 @ 325.)
north side of the Artillery Depot at Saint Thomas' Mount.

No. 72. ORDER THEREON, 17th February 1860, No. 365.

Ordered to be communicated to the Chief Engineer for early attention.

(Signed) C. G. MASTER,
Dy. Secretary to Government.

MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letters:—

From the Acting Inspector General of Ordnance and Magazines, Fort Saint George, 18th October 1859, No. 260; to the Secretary to Government, Military Department.

With reference to the Proceedings of Government No. 2640, dated 22nd July 1859, I have the honor to submit that, in addition to the sundry repairs to the Artillery Depot buildings, recommended by the Chief Engineer to be immediately executed, pending the sanction of the Estimate directed to be entered in the Budget for 1860-61, a new Gun-shed is very urgently required, as the necessity for providing immediate accommodation for the Royal Artillery Carriages, recently received from England, has caused the Field Train buildings to be so crowded, that new and valuable Gun Carriages are now, of necessity, standing exposed to the weather at Saint Thomas' Mount.

2. The Brigadier Commandant has been in communication with the District Engineer of Chingleput, regarding the probable cost of a permanent Gun-shed, and has ascertained that a building capable of giving cover to two complete Field Batteries, including Waggons, &c. &c., constructed in brick and chunam, will not exceed a total cost of Rupees (3,830) three thousand eight hundred and thirty.

3. I have therefore the honor to request, that Government will be pleased to direct the Department of Public Works to undertake at once the construction of the additional Gun-shed as an emergent work.

From the Acting Inspector General of Ordnance and Magazines, Fort Saint George, 20th January 1860, No. 343; to the Secretary to Government, Military Department.

Since addressing Government in my letter No. 260, dated 18th October 1859, on the subject of additional accommodation required at Artillery Head Quarters, I have the honor to state, that the Brigadier Commandant of Artillery has submitted, as an amendment on the original proposition of a separate building for a Gun-shed outside of the Depot enclosure, that terraced Verandahs be added to the two ranges of Gun-sheds, which form two sides of the enclosure on the north side of the Depot.

2. The foregoing arrangement, the Brigadier Commandant represents, will afford greater accommodation, and prove infinitely more convenient than the separate Gun-shed, as originally proposed.

3. The cost of the Verandahs as estimated by the District Engineer of Chingleput, is Rupees (3,900) three thousand and nine hundred, exceeding by Rupees (70) seventy, the total cost of the Gun-shed stated in my letter above quoted to be Rupees (3,830) three thousand eight hundred and thirty.

4. I beg to give my entire concurrence to the proposed amendment, and solicit Government, that the necessary instructions may be issued for the erection of the Verandahs in question.

ORDER, No. 620, 10th February 1860.

Approved for immediate execution—the shelter for the Gun Carriages being urgently required.
