No. 77. Proceedings of the Madras Government in the Military Department, dated 10th February 1860.

Read the following Proceedings in the Public Works Department.

Ascertaining whether there is any objection to Lieutenant Puckle's employment in the Public Works Department of Nagpore. } (Here enter 8th Feby. 1860, No. 313.)

Lieut. Puckle's services being already at disposal of Department Public Works no further reference to the Chief Engineer is necessary. He may be employed in whatever situation or capacity may be approved of in that Department.

(Signed) H. MARSHALL, Colonel,
Actg. Secy. to Government.

No. 77A. Letter from Colonel J. H. BELL, Chief Engineer; to the Secretary to Government, dated 10th February 1860, No. 10179.

I have the honor, with reference to the order of Government as per margin, to state that this department has a prior claim to Lieutenant Puckle's services which are just those which it can ill spare because of the difficulty of finding young qualified officers for the lowest appointments held by officers.

2. But if Lieutenant Puckle elects to be employed in Nagpore rather than in this department, I think that his wishes should determine the question. It was at his own request that I recommended him for employment.

No. 78. Ordered in consequence that the following letter be dispatched.

From T. PYCROFT, Esq., Chief Secretary to the Government of Fort Saint George; to Major E. K. ELLIOT, Commissioner of Nagpore, dated 18th February 1860, No. 368.

With reference to your telegram of the 6th instant, I am directed to transmit copy of a letter dated 10th idem No. 10179 from the Chief Engineer, and to state that if Lieutenant Puckle of the 28th Regiment M. N. I. still desires to be employed in the Department of Public Works in Nagpore, the Madras Government have no objection to your employing him accordingly and you may consider his services as placed at your disposal.

2. You will be so good as to report whether Lieutenant Puckle elects to take service under the Commission.
