*Proceedings of the Madras Government, Public Works Department,
for the month of February 1860.*

No. 16. Read the following Proceedings of the Madras Government in the Military Department, dated 16th February 1860, No. 693.

Read Extract from the Proceedings of the Honorable the President in Council in the Military Department, under date the 28th January 1860, No. 1133.

Read Memorandum from the Public Works Department, No. 8655, dated 21st December 1859, requesting to be informed of the decision passed in the Military Department on the general question of stabling in the Upper Provinces.

Read letter from the Quarter Master General of the Army, No. 4929 of the 24th December 1859, conveying the opinion of the Commander-in-Chief that inexpensive sheds for the protection of horses from the sun are necessary, and would tend to keep both men and horses in health, and adding that the stable duty is often neglected, owing to the serious risk of exposing European Dragoons to the sun.

OBSERVATIONS.—The Honorable the President in Council is of opinion that inexpensive sheds, such as to afford shelter for the horses and for the men whilst employed on stable duty, should be erected, but that care should be taken to check the expenditure on this account, as horses do not require to be overstabled in India, and nothing more than simple inexpensive sheds appear really necessary.

Ordered, that a copy of the above be transmitted to the Public Works Department, with reference to that Department Memorandum, No. 8655 of the 21st December 1859.

(True Extract.)
