Proceedings of the Madras Government, Public Works Department, for the month of February 1860.

No. 85. Read the following letter from Colonel J. H. BELL, Chief Engineer; to the Secretary to Government, dated 13th February 1860, No. 10253.

I have the honor to acknowledge receipt of Proceedings of Madras Government marginally noted, regarding the construction of Cells to each barrack occupied by European soldiers, and to state for the information of Government, that the construction of the Military Prison at Jackatalla is at present delayed on account of the iron piping, which is to be let into the wall of the building to secure warmth,* plans for which have been forwarded to the Home Government.

No. 298, dated 6th February 1860.

* No. 1846, dated 1st August 1859.

No. 86. ORDER THEREON, 27th February 1860, No. 421.

Communicated to the Military Department with reference to the order in that Department 2nd instant No. 495.

2. The Government presume that the Chief Engineer has already called upon the District Engineers concerned to prepare in communication with Commanding Officers of European corps and with all practicable despatch, estimates for the additional number of Cells which it will be necessary to provide in the event of the substitution of other punishments for corporal punishment.
