G.O. No. 436 Press / Mis.

115-16.

Dated 29-2-1860.

Not to be folded or roughly handled

No. 115. Read the following letter from Colonel J. H. BELL, Chief Engineer; to the Secretary to Government, dated 16th February 1860, No. 10359.

I have the honor to bring to notice that the District Engineer of Tanjore has, in his distribution statement of the reduced allotment for new works, on which outlay is to take place in the current year, provided for expenditure on the four works noted in the margin, which, though included in the budget No. 2 of 1859-60, are under restriction; and to request that the sanction of Government may be accorded to these works being proceeded with, to the extent noted in the District Engineer's statement herewith sent.

	Rs.
Item No. 442. Salt Road from Trivenkaud to Tranquebar and Shiyáli estimate	1,868
Item No 443. Do. from do. to Neydarásal	1,278
Item No. 90. Extending tálúq Kach'hárí at Kuttálam	1,017
Item No. 247. Converting an aqueduct into an under tunnel in the Annenda Kavery	650

Dated 1st February 1860, No. 291.

2. The District Engineer in his letter transmitting the abovementioned statement, particularly brings to notice the importance of the two first mentioned works, being roads required to facilitate the conveyance of salt into the interior of the district, but as the full amounts of the estimates for their completion is not provided for in the distribution statement, he will be instructed, if the Government approve the foregoing proposition, to complete the same from the repair allowance of the district.

No. 116. ORDER THEREON, 29th February 1860, No. 436.

The Government grant the authority applied for in paragraph 1 of this letter, and approve the instructions which the Chief Engineer proposes to issue to the District Engineer of Tanjore with respect to the two salt roads in question.

(Signed) T. PYCROFT,
Chief Secretary.
