Proceedings of the Madras Government, Public Works Department, for the month of February 1860.

No. 127. Read the following Proceedings from the Government of India, dated Fort William, 11th February 1860, No. 802.

Extract from a Despatch from the Right Honorable the Secretary of State, to the Government of Bombay, No. 41, dated 30th December 1859.

Paragraph 2.—I cannot pass unnoticed the tardiness of your Chief Engineer in furnishing the information contained in his memorandum, which was required of him by an order of the Government of India, dated 16th January 1858, but was not rendered until 19th May 1859, sixteen months afterwards. Such delay, which has hitherto been of too frequent occurrence, must no longer be permitted. It is not creditable to your Government, when enquiry is made here on matters of public interests, to be compelled again and again to repeat (sometimes at intervals of several months) that reference has been made to India on the subject, but that no reply has been received.

Copy forwarded for information to the Government of Madras.

Offg. Secy. to the Govt. of India.
