PUBLIC DEPARTMENT.

PROCEEDINGS of the MADRAS GOVERNMENT.

Dated 18th February 1860, No. 236.

It is understood that several offices at Madras send their waste paper to the Superintendent of Stationery to be sold. It is desirable that this practice should be generally observed. The Government therefore direct that the heads of all public offices at the Presidency will, in future, have the waste paper of their respective departments carefully collected and forwarded to the Superintendent of Stationery, who will dispose of it by public auction.
