Proceedings of the Madras Government, Public Works Department, for the month of March 1860.

No. 9. Read the following letter from Captain F. H. RUNDALL, Consulting Engineer for the Irrigation Company; to the Secretary to Government, Department Public Works, dated 20th February 1860, No. 47.

I have the honor to forward an original letter from the Agent, requesting the sanction of Government for the purchase of certain instruments from the several Engineers who have lately arrived from England.

Instructions appear to have been sent to him from the Board of Directors to do so, and the instruments themselves to have been submitted to the inspection of their Consulting Engineer, sanction may, therefore, be accorded for the same.

No. 10. ORDER THEREON, 1st March 1860, No. 448.

The Government authorize the purchase of the instruments referred to in this letter at a cost of Rupees (1,752) one thousand seven hundred and fifty-two.

(Signed) T. PYCROFT,
Chief Secretary.
