PUBLIC WORKS DEPARTMENT.

No. 44 of 1860.

TO THE RIGHT HONORABLE THE SECRETARY OF STATE FOR INDIA.

RIGHT HONORABLE SIR,

1. With reference to paragraph 2 of our letter of the 14th instant, No. 39, we forward a Report from the Consulting Engineer of the Irrigation and Canal Company, stating that the first fourteen miles of the Main Canal, viz., from Kurnool as far as the village of Shaitancottah, are staked out ready to be commenced immediately. The Collector shall make over the land, the principal part of the first two miles being private property. He further states that there are eight miles in the neighbourhood of the deep cutting staked out, and that the portion between it and Shaitancottah, a distance of eighteen miles, is in process of being definitely laid down.

2. There are 6,000 labourers ready to set to work upon the first fourteen miles; and besides the 17,600 tons deposited in the river, several thousand tons of stone have been quarried ready for the immediate commencement of operations after the season of freshes has past.

We have the honor to be,

Right Honorable Sir,

Your most obedient humble Servants,

FORT SAINT GEORGE,  
22nd June 1860.
