Proceedings of the Madras Government, Public Works Department, for the month of March 1860.

No. 13. Read the following letter from Captain F. H. RUNDALL, Consulting Engineer Canal and Irrigation Company; to the Secretary to Government, dated Cocanadah, February 1860, No. 45.

The Civil Surgeon at Kurnool having expressed his willingness to afford medical aid to the servants of the Irrigation Company, I have the honor to request that the permission of Government may be accorded him, and that the Company be allowed as proposed by the Agent, to pay him a sum of Rupees 50 per month for his services.

It will probably be necessary to appoint Apothecaries to act under this medical officer wherever large bodies of workmen are employed. The Agent proposes laying before Government his arrangements when matured.

No. 14. ORDER THEREON, 1st March 1860, No. 450.

The Government grant permission to the Civil Surgeon at Kurnool to afford medical aid to the servants of the Canal and Irrigation Company, receiving in return for his services the sum of Rupees fifty, which the Agent is allowed to disburse to him accordingly.
