Proceedings of the Madras Government, Public Works Department, for the month of March 1860.

No. 15. Read the following letter from Captain F. H. RUNDALL, Consulting Engineer for the Irrigation Company; to the Secretary to Government, Department Public Works, dated 20th February 1860, No. 46.

With reference to my letter of the 14th November last, I have now the honor to submit a list of the establishment, which I consider will be required for the efficient discharge of the duties of my office, and which I request the Government will give me permission to entertain.

	Rs.	A.	P.
1 Manager	225	0	0
2 Accountants at 70 and 35	105	0	0
1 Record Keeper	50	0	0
2 Clerks at 50 and 25	75	0	0
1 Draughtsman	50	0	0
4 Peons, 2 at 7 and 2 at 6	26	0	0
2 Lascars at 6	12	0	0
1 Muchi	10	8	0
1 Sweeper	3	0	0
Total	556	8	0

2. Until, however, sanction has been given for the commencement of active operations, I do not propose to employ the manager, one accountant and draughtsman whose united salaries amount to Rupees 310. The balance, therefore, viz. Rupees 246-8-0, is all that will require to be sanctioned at present.

3. In the event of there being no rooms available in any of the present Government offices, I would further solicit permission to hire the lower story in " Pater's Gardens," which have been offered to me furnished with all the necessary requisites, for Rupees 75 per month. The furniture in the office for the Consulting Engineer for Railways is, I find, valued at about Rupees 1,500. Instead, therefore, of asking Government to expend this sum, I have deemed it more advisable to try and rent furnished rooms. The building is suitable and the locality central and very convenient.

No. 16. ORDER THEREON, 1st March 1860, No. 451.

The Government authorize the Consulting Engineer for the Irrigation Company to entertain for the present so much of the proposed office establishment as may be necessary until the commencement of active operations, the charge on that account not exceeding Rupees 246-8 per mensem. They also authorize the Consulting Engineer to hire as a temporary measure the lower story in " Pater's Gardens" for his office at a monthly rent of 75 Rupees.

Chief Secretary.
