*Proceedings of the Madras Government, Public Works Department,
for the month of March 1860.*

No. 26. Read the following letter from Colonel J. H. BELL, Chief Engineer; to the Secretary to Government, dated 16th February 1860, No. 10362.

I have the honor, with reference to the order of Government as per margin, to state that
September 20th 1859, No. 2263 A. I have been unable after many enquiries, to obtain an officer for
the examination of the Bibbri and Wyneganga rivers.

2. It is not worth the while of an officer not belonging to the department to accept employment, which would last but a short time and would not repay his expenses. Eventually I may be able to detach one of the officers of the department for the duty above mentioned; but there is no one to spare at present.

No. 27. ORDER THEREON, 2nd March 1860, No. 457.

Ordered to be recorded.
