*Proceedings of the Madras Government, Public Works Department,
for the month of March 1860.*

No. 34. Read the following letter from Colonel J. H. BELL, Chief Engineer; to the Secretary to Government, dated 24th February 1860, No. 10612.

With reference to their Proceedings No. 365, dated 17th February 1860, I have the honor to state for the information of Government, that there are no funds available in the Chingleput district, for the construction of additional verandahs to the gun sheds at Saint Thomas' Mount, and I would, therefore, suggest that the work be undertaken at the commencement of the next official year, unless indeed, the Government are pleased to sanction the sum required for the work in anticipation of the funds allotted in the budget for the ensuing year, in which case I request the favor of early orders on the subject to enable me to issue the necessary instructions to the District Engineer.

No. 35. ORDER THEREON, 2nd March 1860, No. 461.

Referred to the Military Department for consideration with reference to the order in that department dated 10th February 1860 No. 620.
