CIRCULAR.

From Lieutenant Colonel H. Yule, Secretary to the Government of India with the Governor General, Head Quarters Camp Ghirana, 3rd February 1860, No. 239/51; to the Local Governments and Administrations.

In continuation of my Circular of 18th ultimo, I am directed to append Extract of a letter* from the Adjutant General of the Army to the Government of India in the Military Department, from which it will be seen that Lord Clyde is of opinion, that 20 Cells attached to the guard room of each European Regiment, will answer the purpose required.

2. Where there are already prison Cells but not in sufficient number, plans and estimates should be prepared for augmenting them to twenty.

No. 248.

Copy of the above forwarded to the Secretary to Government Madras, with an intimation that the former Circular and this, apply specially to the Territories immediately under the Government of India, but His Excellency the Governor General considers it desirable to call the attention of the Government of Madras to the subject also, in order that steps may be taken for the provision of Cells where necessary.

By Order of the Right Honorable the Governor General.
