PUBLIC WORKS DEPARTMENT.

No. 46 of 1860.

TO THE RIGHT HONORABLE THE SECRETARY OF STATE FOR INDIA.

RIGHT HONORABLE SIR,

1. Adverting to former correspondence on the subject of the improvement of the Upper Godavery navigation, we transmit to you the papers noted in the margin, having reference to the Canal projected on the north bank for the purpose of avoiding the Sinterál barrier.

Proceedings of Government, 17th April
1860, Nos. 124—126.

2. This Canal will be in the Baddrachellam Zamíndári, which is within the Nizám's territories; and the Zamíndár objects to it on the ground that it would take up a large portion of his land at a great loss to him. The Nizám's Government has sent an Officer to inquire into the matter, and ascertain the advantages of the proposed Canal, &c.; and we have instructed Captain Haig to afford him all the information that he may require respecting the work.

3. It will be in your recollection that we pointed out some months ago to the Government of India the importance of obtaining a cession of the whole of the narrow strip of country belonging to Hyderabad on the north bank of the Godavery, and in your Despatch of the 26th January 1860, No. 8, you pressed on that Government the importance of effecting that object. We are not aware what progress has been made in the negotiation.

We have the honor to be,

Right Honorable Sir,

Your most obedient humble Servants,

FORT SAINT GEORGE,
2nd July 1860.

FORT SAINT GEORGE.
