*Proceedings of the Madras Government, Public Works Department,
for the month of March 1860.*

No. 74. Read the following letter from Colonel J. H. BELL, Chief Engineer; to the Secretary to Government, dated 23rd February 1860, No. 10578.

I have the honor to forward for submission to Government, the accompanying letter* from the District Engineer of Tanjore, recommending Mr. J. McGuire, late an Assistant Overseer, who was dismissed on the reduction of the Public Works establishment in July 1857, as a Sub-Overseer in his district, vice Subramanya Rau, deceased.

2. Government in their order dated the 24th December last, sanctioned the employment of Subramanya Rau as Sub-Overseer, but he died on the 17th January last, and the District Engineer after acquiring some knowledge of Mr. McGuire, now recommends him for permanent employment as Sub-Overseer.

3. It appears that Mr. McGuire, while in the Krishna division, had his leg broken by a roller passing over it, just before his dismissal and that he was on that account invalided. Captain Oakes now reports that he can walk or ride as well, though not quite so perfectly as before the accident.

4. As Mr. McGuire was formerly in the department in the superior post of an Assistant Overseer, there can be no objection to his re-entertainment as a subordinate of the lowest class, but I consider that his physical fitness for the department should be certified by a competent medical authority, and I accordingly recommend that sanction may be granted for Mr. J. McGuire's re-entertainment in the department as Sub-Overseer, 2nd class, 3rd grade, provided the zila surgeon certifies after due examination as to his health and fitness for the department. The District Engineer will be instructed to obtain and forward the certificate for my approval.

No. 75. ORDER THEREON, 5th March 1860, No. 483.

On the recommendation of the Chief Engineer, the Government sanctions the re-entertainment of Mr. J. McGuire in the Department Public Works in the capacity and on the condition proposed in paragraph 4. The certificate of physical fitness, if furnished, will be attached to the first pay abstract sent to the Civil Auditor.
