Read the following papers :—

From the Chief Engineer, *Sépakkam*, 13th February 1860, No. 10241; to the Secretary to Government, Public Works Department.

Enclosures 5.

1 Original letter from the District Engineer of Malabar, No. 12, dated 17th January 1860, with 1 enclosure 5/16193/60.

1 Do. from Quarter Master General, No. 323, dated 4th February 1860.

2 Abstract Estimates.

• No. 323, dated 4th February 1860, from Quarter Master General of the Army.

I have the honor to forward the accompanying Estimates, one for improving the Native Infantry Barrack Privies and putting up Fixtures to the European Regimental Serjeants' Quarters, amounting to Rupees 272, the other amounting to Rupees 52, for erecting a Privy near the Paycherry Guard-room at Cannanore, both of which have met with the approval of His Excellency the Commander-in-Chief.

2. They have been examined in this Office and found correct, I have the honor therefore to solicit the sanction of Government, for the amount, viz. Rupees 324, to be defrayed from the General Repair Fund allotted for the District of Malabar.

Referred to the Commander-in-Chief (Quarter Master General's Department) for His Excellency's observations, with reference to the suggestion contained in para. 3 of the District Engineer's letter.

18th February 1860.

From the Quarter Master General of the Army, Fort Saint George, 23rd February 1860, No. 62; to the Secretary to Government, Military Department.

With reference to the order of Government of 18th instant, forwarded for the Commander-in-Chief's observations, the suggestion contained in para. 3 of letter from the District Engineer of Malabar, I am directed to say, that His Excellency considers Buckets for carrying away the soil are preferable to Cess Pools.
