*Proceedings of the Madras Government, Public Works Department,
for the month of March 1860.*

No. 91. Read the following letter from Major E. K. ELLIOT, Commissioner of Nagpore,
to T. PYCROFT, Esq., Chief Secretary to Government, dated 21st February 1860,
No. 8.

In continuation of my letter, No. 4, under date the 2nd instant, I have the honor to state that a telegram has been this day received from Captain H. Wright of the 1st Regiment Madras Infantry, as transcribed on the margin,* from which I infer that he desires to be transferred to this Province for employment in the Department Public Works. If, therefore, his services can be spared, I shall be extremely obliged if the Honorable the Governor in Council will allow the transfer, and authorize Captain Wright being instructed to proceed to Nagpore without delay.

* From Kimidi, via Chicacole, from Captain J. H. Wright. To Nagpore, to the Assistant Commissioner. I received your letter on the 19th February, I am employed in the Madras Department of Public Works, but will come to Nagpore when relieved. Shall I dak up at Govt. expense?

2. I may mention that the Department Public Works in this territory is very urgently in need of subordinate aid, and I find the greatest difficulty in meeting the public requirements. One Divisional Officer has already been summoned to join his Regiment under orders for China, and another is on the eve of departure for England on Medical Certificate.

3. Your telegram respecting Lieutenant Puckle, 28th Native Infantry reached me on Sunday, and I take this opportunity to express my acknowledgment to the Government for placing his services at my disposal.

No. 92. ORDER THEREON, 6th March 1860, No. 492.

Forwarded to the Chief Engineer with reference to the Order dated 20th February 1860, No. 380. It would seem from this present letter that Captain Wright does wish to be employed in Nagpore. The Chief Engineer will report whether he can be spared from the Madras Department Public Works and if so when he can be relieved in Kimidi.

(Signed) J. D. BOURDILLON,
Secretary to Government.
