PUBLIC WORKS DEPARTMENT.

No. 49 of 1860.

TO THE RIGHT HONORABLE THE SECRETARY OF STATE FOR INDIA.

RIGHT HONORABLE SIR,

1. You are aware from the correspondence noted in the margin, that Mr. Robert Boyle, First Class Mechanical Engineer was, by an Order, dated 20th October 1859, No. 2,549, discharged from the service of Government for "repeated neglect of duty, absence without leave, and drunkenness." Mr. Boyle afterwards represented to us that in consequence of his dismissal from the Government service, he was unable to obtain employment elsewhere, and prayed that his case might be re-investigated and that he might be permitted to return to duty, or that he might be provided with a passage to England for himself and family; and further, that in consideration of his present destitute condition, some assistance might be afforded him.

To Home Government, 2nd November 1859, No. 60.
From do. 8th February 1860, No. 17.

2. Having already finally disposed of Mr. Boyle's case, we did not consider it necessary or expedient to re-open it; but as Mr. Boyle was apparently in circumstances of destitution, being unable to obtain employment in consequence of his dismissal, we ordered a passage Home round the Cape to be provided for him, and further allowed him a subsistence allowance of 50 Rupees a month until his embarkation.

3. Mr. Boyle has since intimated to the Chief Engineer that he has succeeded in obtaining employment under the Irrigation and Canal Company, and that he will not in consequence require the passage ordered to be provided for him. We approved of the Chief Engineer's proceeding in paying Mr. Boyle's subsistence allowance to the end of June to enable him to reach Kurnool.

Proceedings, 25th June 1860, Nos. 396 and 397.

We have the honor to be,

Right Honorable Sir,

Your most obedient humble Servants,

FORT SAINT GEORGE,
16th July 1860.
