*Proceedings of the Madras Government, Public Works Department,
for the month of March 1860.*

No. 66. Read the following letter from Colonel J. H. BELL, Chief Engineer, to the Secretary to Government, dated 20th February 1860, No. 10,492 :—

I have the honor to enclose copy of a letter received from the Board of Revenue, intimating that there is an Autographic Press, formerly belonging to the Collectorate of Ganjam but no longer required, lying at the Arsenal, whither it had been sent for repair, and enquiring whether this Department is in want of it ; I have to request, therefore, that you will obtain the permission of Government to its being transferred to the Public Works Department, with a view to its being ultimately despatched to one of the Districts on account of which I applied for Presses in my No. 4,018 of 25th September 1858.

2. To these Districts I have circulated paragraph 8 of Proceedings of Government, No. 316, of 8th instant, and upon receiving their replies I shall be in a position to transfer the Press at present at Coimbatore to some other District, and to select one to be furnished with the Press now applied for.

No. 67. ORDER THEREON, 16th March 1860, No. 548.

The Government authorize the transfer to the Public Works Department of the Autographic Press now in the Arsenal at Madras, and no longer required at the Ganjam Collectorate to which it formerly belonged.

(Signed) J. D. BOURDILLON,
Secretary to Government.

No. 568.

From J. D. SIM, Esq., Secretary to the Board of Revenue.
To LIEUT. COL. J. H. BELL, Chief Engineer, D. P. W.

SIR,
I am directed by the Board of Revenue to inform you that an Autographic press was forwarded last year by the Collector of Ganjam for repair at Madras. This press was transmitted by the Board to the Arsenal, where it has been repaired, and is now ready for delivery, but the Collector having since been furnished with a printing press, no longer requires it.

2. The Board, therefore, request to be informed whether you are in want of an Autographic press for use in your department, as, if so, they will instruct the Principal Commissary of Ordnance to transfer the one abovementioned to you.

2nd February 1860.

I have the honor to be,
Sir,
Your most obedient servant,
