*Proceedings of the Madras Government, Public Works Department,
for the month of March 1860.*

No. 68. Read the following letter from Colonel J. H. BELL, Chief Engineer, to the Secretary to Government, dated 18th February 1860, No. 10,472:—

With reference to their orders of the 28th October 1859, No. 2,544, to paragraph 3 of Major Tennant's letter therein communicated, and to paragraph 3 of my letter of the 6th instant, No. 9,980, I have the honor to forward for submission to Government a Plan and Estimate amounting to Rupees 820, eight hundred and twenty, for constructing two Collimator Rooms with Piers on the North and South and a Railway for Observing Chair at the Observatory.

2. This work has been commenced and is now in progress, under the authority conveyed in the above Orders.

3. The Plan and Estimate have been examined in this Office and found to be correct; I have, therefore, to request that Government will sanction the amount of the same, viz. Rs. (820) eight hundred and twenty, to be defrayed from the general funds at the disposal of the Civil Architect.

No. 69. ORDER THEREON, 16th March 1860, No. 549.

The Estimate submitted with this letter amounting to Rupees (820) eight hundred and twenty, is sanctioned, to be executed, as proposed by the Chief Engineer, out of the general funds at the disposal of the Civil Architect.

(Signed) J. D. BOURDILLON,
Secretary to Government.
