*Proceedings of the Madras Government, Public Works Department,
for the month of March 1860.*

No. 114. Read the following letter from Captain C. H. DICKENS, Officiating Secretary to the Government of India, to the Chief Secretary to the Government of Fort Saint George, dated Fort William, 9th March 1860, No. 1300:—

I am directed to acknowledge the receipt of your letter No. 463 of 2nd instant, and in reply to request that, with the permission of His Honor the Governor in Council, you will be good enough to have one of the Circular Saw Tables alluded to, transmitted to Singapore by the earliest opportunity, to the address of the Chief Engineer, Straits Settlements, the mode and date of despatch being communicated to this Office for information.

2. An eight Horse Power Engine will be sent to Captain Collyer, and I am to suggest that the Sawing Machine to be provided from Madras, should be the one best fitted to be worked by an Engine of that power.

3. I am desired to acknowledge the readiness with which this requisition has been met, and to state that the Saw Mill can be re-placed at the option of the Madras Government either by Indent from England or after due notice from Calcutta.

No. 115. ORDER THEREON, 17th March 1860, No. 573.

Ordered that this letter and the one to which it is a reply be forwarded to the Chief Engineer, with a request that he will attend to the requisition of the Government of India and report what he may have done for communication to that Government.

(Signed) J. D. BOURDILLON,
Secretary to Government.
