*Proceedings of the Madras Government, Public Works Department,
for the month of March 1860.*

No. 129. Read the following letter from Colonel J. H. BELL, Chief Engineer, to the Secretary to Government, dated 25th February 1860, No. 10,679:—

With reference to the Orders of Government, dated the 4th ultimo, No. 14, I have the honor to submit a report from the District Engineer, Godavery, dated the 2nd instant, No. 174, on the progress made in the settlement of the accounts of the Dowlaiswaram Workshop.

2. These accounts appear to have been correctly closed only up to 30th June 1857, and the Journals up to December 1859 have been made up; the postings into the Ledger are in progress under the superintendence of Madana Gópal Pillai, and when completed will be examined by Tiruvengada Mudali.

3. The District Engineer has been informed that, if the Workshop accounts up to December 1859, have not been completely closed by Madana Gópal Pillai, Tiruvengada Mudali should be at once associated with him on this duty, instead of awaiting the closure of the accounts by Madana Gópal Pillai.

No. 130. ORDER THEREON, 19th March 1860, No. 580.

The Government approve the instructions issued by the Chief Engineer to the District Engineer, as reported in paragraph 3 of this letter.

2. The Chief Engineer will be requested to report what arrangements exist in the Central Office for auditing the accounts of the Dowlaiswaram Workshop, and to what period the accounts have been audited.

(Signed) J. D. BOURDILLON,
Secretary to Government.
