No. 134.

ORDER THEREON, 19th March 1860, No. 582.

The Government defer sanctioning the Bills in the absence of explanation as to the grounds on which the works were treated as emergent. The Chief Engineer is requested to supply the omission. He will also report why the repair of the Anantaságaram Northern Sluice, even if really emergent at first, was not afterwards transferred to ordinary repair, the work having been nearly two years in execution.

(Signed) J. D. BOURDILLON,
Secretary to Government.
