*Proceedings of the Madras Government, Public Works Department,
for the month of March 1860.*

No. 137. Read the following letter from Colonel J. H. BELL, Chief Engineer, to the Secretary to Government, dated 16th February 1860, No. 10,360 :—

I have the honor to submit for the Orders of Government, copy of a letter No. 14, dated 23rd January 1860, addressed by the Collector of Krishna District to the Board of Revenue, requesting a re-allotment of the discretionary funds for the repair of Roads in that and the Godavery District. The sums allotted to the late Guntoor and Masulipatam Districts respectively were Rupees 1,300 and 1,200, but as one-third of the latter has been attached to the Godavery District, Mr. Knox recommends that 500 Rupees should be made over, leaving 700 Rupees for the Krishna District.

2. With this amount and that belonging to Guntoor, the sum available for the Krishna District is Rupees 2,000, and the net amount remaining unexpended is Rupees 1,227-3-8.

3. Early orders on this subject are solicited, in order that the repairs of Roads may be prosecuted, and the sanction of a permanent allotment of 2,000 Rupees for the Krishna District is also requested.

4. The discretionary allowance of Rajahmundry was Rupees 1,000, so that the amount to be allotted to the Godavery District in future will be Rupees 1,500.

No. 138. ORDER THEREON, 19th March 1860, No. 584.

In their Orders of the 22nd October 1853, No. 390, the Government sanctioned the following annual allowances to be expended at the discretion of the Collectors in the repair of Roads in the three undermentioned Districts :—

	Rs.
Rajahmundry...	1,000
Masulipatam. ...	1,200
Guntoor. ..	1,300
	<u>Rs. 3,500</u>

Masulipatam having now been abolished and divided between the other two Districts under the new designations of the Godavery and the Krishna Districts, the Chief Engineer proposes a re-allotment of the above discretionary allowances by dividing the Masulipatam funds between the two new Districts, in the proportion of 500 Rupees to the former and 700 Rupees to the latter. According to this proposal the new arrangement will stand as follows :—

	Rs.
Godavery District...	1,500
Krishna do. ...	2,000
	<u>Rs. 3,500</u>

The Government approve and sanction this arrangement.

Sir,
 Consequent on the amalgamation
 of the late Masulipatam and Amur Districts,
 I find it necessary to obtain the orders of the
 Board regarding the discretionary funds available
 for repair of roads &c.

2. For the Official year 1859/60, the
 sums of Rupees 1300 and 1200 were available
 for the Amur and Masulipatam Districts res-
 pectively.

Total Rupees	2500
Deduct the sums expended before the 15 th December 1859	P. 4. 0.
In Masulipatam District	472-12-4
In Amur	300
Balance	1727-3-8

Remains

remains unspent, but a portion of the Masulipatam District, say 1500 having been transferred to the Rajahmundry District, I beg to suggest that 500 Rupees may be allotted to the Masulipatam District in the Krishna Division, the remaining 500 Rupees being given over to the Godavari District. In that case the amount available for the Krishna District will be Rupees 2000 as per margin. From this amount the amount already expended during the current Official year in the two Districts being deducted, leaves a balance of Rupees 1227-3-8 available for this year which can be spent very advantageously. I request the Board's sanction to keep the amount in question (viz. 2000 Rupees) in future years in the Collector's hands available for the many and urgent wants of this large District.
