MARINE DEPARTMENT

PROCEEDINGS of the MADRAS GOVERNMENT.

Read the following letter from Colonel J. H. BELL, Chief Engineer, to the Secretary to Government, Public Works Department, dated 5th March 1860, No. 11031.

With reference to the Proceedings of Government, Department Public Works, dated 22nd October 1859, No. 2491, I have

Enclosures 3.

- 1 Letter from District Engineer, 19th January 1860, No. 211. revised* Estimate received from the District Engineer of the Krishna District; for constructing 2 Boundary Pillars to mark the limits of the port of Masulipatam.
- 1 " " " 21st February " " 233.
- 1 Abstract Estimate.
- * Amounting to Rupees 127.

2. The District Engineer reports that Mr. Ottmann, who was entrusted with the above work, has represented that as the requisite materials for the same have to be conveyed from a considerable distance by Boat to the place of erection, and as the workmen must be allowed Batta, the Pillars in question cannot be constructed for the amount sanctioned by Government viz., Rupees 80.

3. I request, therefore, that the additional expenditure required for the work (Rupees 47) forty-seven, may be sanctioned, the same being met from the funds for the current official year at the District Engineer's disposal.

4. The rates allowed in the revised Estimate have been examined and found correct.

Transferred to the Marine Department.

(Signed) C. G. MASTER,

Deputy Secretary to Government.

8th March 1860.

ORDER THEREON, 15th March 1860, No. 101.

Government sanction the additional sum—(47) forty-seven Rupees—required for constructing the Boundary Pillars of the port of Masulipatam.
