*Proceedings of the Madras Government, Public Works Department,
for the month of March 1860.*

No. 74. Read the following letter from Colonel J. H. BELL, Chief Engineer, to J. D. BOURDILLON, Esq., Secretary to Government, dated Sépákkam, 10th March 1860, No. 11215.

In the accompanying letter the Garrison Engineer reports that having applied to the Town Major for the amounts of the Rents collected from the men occupying the range of Bázárs in the Garrison, to enable him to credit the amount in his Accounts as an Income of the Public Works Department in reference to the Proceedings of Government, dated 7th December 1859, No. 2842, he has been informed that, in accordance with the Order received from His Honor the Governor, the money is made over to the Commissioner of Police. Captain Rawlins requests, therefore, to be informed, whether the Rent of the Garrison Bázárs should be credited in the Accounts of the Commissioner of Police or in his own.

2. I request that the Government will be so good as to favor me with instructions on this enquiry.

No. 75. ORDER THEREON, 27th March 1860, No. 635.

It appears to Government that the order quoted in this letter does not apply to the bázárs referred to.
