PROCEEDINGS of the MADRAS GOVERNMENT.

Read the following letter from Colonel J. H. BELL, Chief Engineer, to the Secretary to Government, Public Works Department, dated Sepakkam, 10th March 1860, No. 11214.

Public.

With reference to the Proceedings of Government, in the Public Department, dated 16th January 1860, No. 70, I

have the honor to forward herewith the correspondence noted in the margin, relative to the repair of the Tombs on the Fort Esplanades.

2. On the 2nd July 1857, Captain Rawlins submitted an estimate of Rupees 330 for the repair of the above Tombs which was sanctioned by this Office, under the rules of the Department, for immediate execution, but in consequence of the operation of the restrictive orders of the 27th idem, the work was stopped.

3. Nothing, therefore, has been done to the Tombs in question in pursuance of the Orders of Government, in the Public Department, dated 19th May 1857, No. 649, and they are now represented by the Garrison Engineer to be very dilapidated, and in a much worse condition than they were in 1857.

4. Captain Rawlins submits a supplemental estimate of Rupees 80, which, together with the amount of the original estimate of Rupees 330, he recommends may be sanctioned for the repair of the Tombs under consideration. The necessity for this supplemental estimate is represented to be the present high rates of building materials, coupled with the fact above noticed of the further injury sustained by the Tombs since 1857.

5. Under the foregoing explanation, I request that sanction may be granted for the repair of the Tombs at the estimated outlay of Rupees (410) four hundred and ten.

Transferred to the Public Department.
