1 Letter from Garrison Engineer, dated 17th February 1860, No. 830, with

1 Enclosure.

1 Abstract Estimate.

I have the honor to forward herewith, an estimate amounting to Rupees (226) two hundred and twenty-six, for certain alterations and repairs to the Office of the Director General Medical Department.

2. The estimate in question has been prepared by the Garrison Engineer, agreeably to the

instructions of His Honor the Governor, as communicated to him through the Town Major—
The rates allowed therein have been duly examined and found to be correct.

ORDER, No. 1124, 22nd March 1860.

Approved—but the Governor in Council is of opinion, that the item in the estimate for screen doors is unnecessarily expensive, cloth of a more ordinary texture than that proposed, being sufficiently suitable for the purpose.

2. If articles of a superior description are desired, they must be provided at the cost of the parties requiring them.
